

## ASSEMBLY REPORT

DATE: 22.04.2019

### Deputy Director Of General Affair (Mr. Loh Wai Lun)

- Although Malaysia is not situated in an earthquake zone, we must still be prepared for the unpredictable future.

Key things to remember during an earthquake:

1. Do not hide in a corner of the building.
  2. Do not rush towards the exit or outdoors.
  3. Do not use lighters or ignite any substances.
  4. Do not drive on the road.
  5. Do not undertake rescue operations on your own.
  6. Do not turn on any electrical appliances.
- During an earthquake students should remember the DCH three steps approach to protect your life: Drop, Cover and Hold on. Stay calm and wait for the situation to stabilise before evacuating to a safer place.

### Vice Principal and Head of Academic Department (Mdm. Ling Soon Ching)

- The Mid-Year Examination for Senior 2 IGCSE classes has concluded last Friday (19 April). Students that were absent must go to the Academic Department today (22 April) or tomorrow (23 April) to take the replacement test.
- Senior 3 students may visit the Bank Rakyat BPPT website to apply for financial aid and fill in your personal information. Students who may redeem the RM100 Debit Card will receive a confirmation email. The application deadline is 30 April. Form teachers will be distributing the notification letters to Senior 3 students today (22 April).
- Hope that students will prepare well for the Mid-Year Examination starting next week. Wishing Senior 2 IGCSE students good results in the coming IGCSE O-Level examination.

### Principal (Mr. Leong Ping Chow)

- Students should have a positive and correct attitude. Do not give up on yourself.
- Success is determined by both your aptitude and attitude. Having a solid educational foundation and positive attitude are prerequisites for achieving success.
