

ASSEMBLY REPORT

DATE: 01.07.2019

Head of office Administration (Ms. Annie Lim)

- The video tells a story about a young elementary schoolboy played by Haley Joel Osment that performs good deeds for strangers and encourages them to pay it forward.
- Be happy to know that such kindness exists in our world.
- Let kindness start today.

Chief of Administration and Head of Counselling Department (Ms. Chong Pui Cheng)

- The school is organising an education fair on 2 August (Friday). Parents are invited to attend the fair and students are encouraged to inform their parents about it. Students will receive a minor merit for each parent or guardian that attends the education fair, with a maximum limit of 2 minor merits being awarded to each student.

Principal (Mr. Leong Ping Chow)

- During the national anthem, students should seriously respect their own country because this land is our home. Malaysia is a multiethnic and multicultural country. As independent school students, there is a need to respect our country even more to promote the spirit of Chinese education.
- Poi Lam High School provides a multi-path system with different types of qualifications. Besides the 3+3 UEC and 3+2 IGCSE courses, the school also requires students to register for PT3 and SPM. The purpose of this is to allow students to have more options when it comes to further studies. Therefore, hope that students will understand the school's good intentions and effort.
- Do not get carried away, think twice before you act.

Deputy Director of Academic Department (Mr. Soo Yeong Shen)

- A warm welcome to Ms. Chan Sook Ching for joining our school. She will be teaching Chinese.
- The Saturdays of 6 July and 13 July will be swapped. 6 July will be a student holiday whereas 13 July will be our school's Sports Day. The dismissal time on that day will be 1:15pm.
- 2 July (Tuesday) is the UNSW competition registration deadline. Students are encouraged to participate in the competition. The UNSW English writing competition will be held during the 2nd recess on 3 July (Wednesday) in the library.

培南独立中学
SEKOLAH MENENGAH POI LAM (SUWA)

Certificate Number :
601596

- Students in graduating classes are not allowed to apply for outgoing during ECA periods as there will be tuition for them. The school will be cancelling the tuition classes if the number of students attending tuition and the class situation is found to be unsatisfactory.
- The school will be carrying out part of the Sports Day competition events today (Monday). There are also students that will be outgoing to prepare for the Teachers' Day celebration. Subject teachers please check if students in the class have applied for outgoing.
- The Academic Department has found that there are still many students who do not have textbooks with them during lessons, especially for SPM History. Hence, students are required to write down their names on their textbook and class teachers will be conducting book checks.

Vice Principal (Mdm. Qui Lee Lee)

- Last week, J2LI was found to be practising the Three Rights and Four Must very well. On one hand it is due to Ms. Haswani's excellent guidance. On the other hand, it is also due to the cooperation of the students. Hope that other teachers and students will take them as an example and model to learn from.
- Students are requested to remove their jackets before going onto the stage for prize giving. Students please do not talk or leave the hall flippantly when there is someone giving a speech on the stage.
