

## ASSEMBLY REPORT

DATE: 15.07.2019

Principal (Mr. Leong Ping Chow)

- Students please respect the national anthem.
- Students please adhere to the Four Rights and Three Must during lessons.
- Students should make the most of their time to do revision and pay attention during lessons in order to be in the best condition to take on next week's exams.
- No matter where and when, students please remember to not get carried away in order to prevent tragedies from happening.

Head of Public Relation Department (Ms. Ang Lee Peng)

- Today's topic for sharing is "Never give up, dreams will come true".
- Although we cannot decide on the circumstance of our birth, we can rely on our efforts to change our lives. As long as a person has a goal, dreams will come along with it. As long as students are willing to persevere, put in effort and sacrifice, dreams can become a reality and the future can be changed.
- People without goals or dreams or those who are lackadaisical, even if naturally gifted, are nevertheless wasting their lives away.
- People who are successful never give up and those that give up do not succeed. A person's choice determines their fate and a person's resolve determines their choice.
- A person's weakness can be the driving force for change. When a person recognises their weakness, there is an instinctive drive to change the status quo. Moreover, when someone else points out our weaknesses, it becomes an even greater impulse to improve ourselves.

Chief of Administration and Head of Counselling Department (Ms. Chong Pui Cheng)

- The video clip that will be shared with students today is called "where has our time been spent?".
- Time is precious and students should make good use of it. Live every day like it is your last day, cherish every minute and every second.
- Learn to manage your time properly and focus on exam preparations. Students may ask relevant subject teachers or counsellors for help if they face problems in their studies.

Head of ECA Department (Mr. Chiew Teck Seng)

- 20 July is the deadline for the school uniform design competition. Students are encouraged to participate. Moreover, the school has an open category for alumni, staff members and parents. Hope that everyone will actively participate in this activity.
- Students have been found to be leaving their clubs and societies about 10 minutes before ECA ends. Disciplinary action will be taken against students that are found to be doing so again.
